

Newark Stop-and-Frisk Statistics

January - August 2014

Each month since August 2013, the Newark Police Department has released a set of data detailing the number of stop-and-frisks in the City of Newark from the month prior. Below is a summary of 2014 data thus far. Source: newarkpdonline.org

12,029 TOTAL STOPS

Race

Gender

Arrests and Summonses

Frisks

These data do not include stats from July 2014, which the NPD has not published.
